"Family Profile," "Lifestyle Presentation," "Dear Birth Mother Letter"

One of the most important steps in adopting domestically is creating your family profile or Lifestyle Presentation. The birth mom chooses who she wants to parent her baby by looking through several profiles. Over the past 19 years AIS has critiqued profile text and pictures resulting in the best profiles in the market.

AIS provides optional in-house design services as follows:

- ✚ Basic Design Package - \$550 – Includes layout & design of profile & final profile on CD for clients to have printed and bound at a print shop of their own choosing. (Both .PPT and .PDF files types provided.)
- ✚ Profile Enhancement – Gives a facelift to add life to your profile. Will quote case-by-case.

In order for AIS to begin creating your profile, a \$200 deposit must be submitted.

We look forward to meeting you and working with you toward your goal of becoming a parent through adoption. Your AIS Adoption Consultant will help take the worry and fear out of the adoption process through her caring, knowledgeable guidance to insure a safe, secure adoption in a short time frame.
