"Family Profile," "Lifestyle Presentation," "Dear Birth Mother Letter"

One of the most important steps in adopting domestically is creating your family profile or Lifestyle Presentation. The birth mom chooses who she wants to parent her baby by looking through several profiles. Over the past 15 years AIS has critiqued profile text and pictures resulting in the best profiles in the market.

NEW! AIS now provides in-house design & production services as follows:

- ✚ Package A - \$550 – Includes layout & design of profile; final profile on CD; & one printed & bound profile.
- ✚ Package B - \$800 – Same as A, with total of 14 bound copies (14 for client & one for AIS) printed on 28 lb paper; & priority shipping of profiles to client.
- ✚ Package C - \$275 – Includes only printing and binding of profile (14 for client & one for AIS) and priority shipping of profiles to client.
- ✚ Creative covers – Will quote case-by-case.
- ✚ Additional bound profiles are \$20 each
- ✚ Profile Enhancement – Gives a facelift to add life to your profile. Will quote case-by-case.

In order for AIS to begin creating your profile, a \$300 deposit must be submitted.

We look forward to meeting you and working with you toward your goal of becoming a parent through adoption. Your AIS Adoption Consultant will help take the worry and fear out of the adoption process through her caring, knowledgeable guidance to insure a safe, secure adoption in a short time frame.
